

NATIONAL PARKS: YELLOWSTONE

Embark on a journey with your students to America's first and most iconic National Park, Yellowstone. While the park is known for geysers, most groups report that wildlife was among the most important reasons to visit.

Trip Highlights

- You and your students will explore America's Norris Geyser Basin which is the hottest geyser basin in the world!
- Take a group photo with Old Faithful and Old Faithful Lodge.
- This park has something for everyone in your group and 4 million visitors a year prove it!
